

RANDY ELLIS

VP of Design

Executive design leader with 8+ years of global experience driving end-to-end product design, design strategy, and scalable design systems. Proven track record of remote team leadership and operational excellence, leveraging expertise in UX architecture, user research, and mobile design. Passionate about advancing fintech innovation and regulatory compliance, with a focus on delivering secure, high-velocity launches for startups and established brands.

EMPLOYMENT HISTORY

FRACTIONAL VP, DESIGN *Chameleon Collective*

Oct 2022 – Present
Remote

- ◆ Boosted B2B retention by 20% and cut onboarding time by 35% by designing dynamic, LLM-powered onboarding sequences and contextual AI tooltips, supporting operational leadership and design strategy.
- ◆ Reduced product development cycles by 30% by architecting scalable component libraries for agentic loops and human-in-the-loop (HITL) interfaces, advancing design systems and remote team leadership.
- ◆ Improved patient portal engagement by 30% and cut clinical data entry time by 25% by designing conversational UI and NLP-assisted smart-fill forms, enhancing mobile design and UX architecture.
- ◆ Cut logistic routing data errors by 40% and improved tracking efficiency by 22% by implementing predictive routing dashboards and spatial AI data visualizations, utilizing design metrics and web standards.

LEAD UX RESEARCHER *Clockwork (Contract)*

Apr 2023 – Oct 2023
Remote

- ◆ Designed onboarding wireframes that reduced user onboarding time by 12% through simplified flows, aligning with mobile design and UX architecture best practices.
- ◆ Conducted UX analysis and user research to identify friction points and recommended improvements that enhanced tool usability and supported design strategy.
- ◆ Recommended a PIM solution that cut operational bottlenecks by 23% and improved data workflows, demonstrating operational leadership.

HEAD OF DESIGN *Nagarro*

Mar 2022 – Oct 2022
Remote

- ◆ Raised brand recognition by 50% through targeted design evangelism, public-facing campaigns, and strategic brand partnerships.
- ◆ Coached remote design team members, improving retention rates by 40% and strengthening executive leadership and operational leadership.
- ◆ Authored leadership articles that increased site traffic by 40% and elevated thought-leadership presence, reinforcing executive presence in the design community.

DIRECTOR OF DESIGNOPS *NagarroDV*

Feb 2020 – Mar 2022
Remote

- ◆ Reduced design cycle time 35% by defining DesignOps strategy and KPIs, supporting design metrics and design systems across remote teams.
- ◆ Cut development lead time by collaborating on a prioritized design roadmap, reducing delivery time by 30% and advancing design strategy and operational leadership.
- ◆ Improved usability 23% and customer satisfaction 38% by directing weekly design reviews and iteration, applying user research and UX architecture best practices.

ASSOCIATE DIRECTOR OF UX/PRODUCT DESIGN
Innovation Lab, Alight Solutions

Sep 2018 – Jul 2019
Chicago, IL

- ♦ Launched AI payroll system that increased error detection by 60%, improving payroll accuracy and supporting fintech and regulatory compliance initiatives.
- ♦ Authored and managed UX design documentation to align product teams and improve coherence, reinforcing design systems and web standards.
- ♦ Conducted user research that drove a measurable increase in user engagement of 50%, strengthening UX architecture and mobile design.
- ♦ Managed mobile app launch that improved job placements by 35%, demonstrating executive leadership and mobile design expertise.

LEAD PRODUCT DESIGNER
DigitasLBI, North America

Jul 2018 – Sep 2019
Chicago, IL

- ♦ Delivered UX deliverables that clarified requirements and improved client product decisions, supporting design strategy and UX architecture.
- ♦ Increased website engagement through aligned UI/UX strategies, producing measurable user improvements and leveraging web standards.
- ♦ Collaborated with visual designers to update brand-compliant interfaces that improved consistency and supported brand partnerships.
